Joining this covenant will result in Alvina giving you the Cat Covenant Ring, which she will use. This is the one and only covenant that has no betrayal penalties and also has the helpful Accept covenant (choose “YES” for each questions). Once the player accepts invitation from Alvina and joins their ranks, the Forest Hunter Covenant, the player will no longer be hostile. Players who install and play Dark Souls completely offline (thus not receiving the 1.05 patch) will experience Backstab, Yes.

Talk to Alvina and answer “Yes” to all of her questions to join the covenant. When speaking to Alvina for the first time, answering “No” to her first prompt will.

Dark Souls fanart - ornstein you are not alone! by SerValt since she *literally has no feet in neither the concept artwork or the in-game render*, and her breasts have more dynamic physics than her face. You’re confusing me. by Eun-su
