Everyday Magic My Greatest Teacher

>>>CLICK HERE<<<
It's been two weeks since returning to my sweet island after a rich adventure on the mainland. Outside of the limiting boxes we confine ourselves to and existing in a place that has a sense of magic and flow. Every day I get closer, and everyday, I fail forward falling flat on my face. The island truly is my greatest teacher.

2014. Where's Roman?

Mysterious Woman. 2012. Tales of Everyday Magic. Aunt Dorothy. 2012. My Greatest Teacher. Aunt Dorothy. 1994. Wyatt Earp (1994). Failure can often be a greater teacher than success. My Return of Kings identity is relatively separate from my everyday life. Don't get me wrong, I like the symbolic value of my former screenname "runsonmagic" (runs-on-magic, get it?). In 2012 my yoga journey ventured into, what I feel, the biggest honour of all, teaching for years and years for the music, movement and magic it brings to my life. In my heart, and the yogic philosophy and knowledge is with me everyday. Just thinking about ayni from your teachings has brought my life to a much deeper community support, and celebrating the magic of our everyday moments with the plants are my greatest allies and teachers, the earth my sanctuary. I've had the greatest teachers throughout my life. Teacher God. My faith reminds me everyday to be humble and grateful, to love, to share, to give. Donald Weilerstein taught me the magic of sound, how sound carries through the molecules.

It's the greatest motivational i ever seen before Be Fearless (greatest motivational ever!) Wayne Dyer - Tales of Everyday Magic: My Greatest Teacher.
medicinal magic, book bragging, ancient traditions, cultural considerations, animal
I am teaching five workshops for WildCraft Studio School located just down the road. My work with plants, whether in the garden or the herb room, is naturally creative and exploratory.

Who/What has been your greatest teacher?
